

Put Your Forms to Work

After completing all of your Putting Forms, create a four-hole putting course with the lengths and breaks listed below. Complete all four holes consecutively to finish a "round." Play three rounds, recording your score in the scorecard.

1

Short Putt: Merry-Go-Round

Place a ball three feet from the hole and count the number of strokes to get it in the hole. On the second and third rounds, place the ball in different locations around the hole.

3'

2

Medium Putt

Place a ball 20 feet from the hole, on a right-to-left breaking putt. Count the number of strokes to get it in the hole.

20'

3

Medium Putt: Opposite Side

Place a ball 20 feet away, on the opposite side of the hole for a left-to-right breaking putt. Count the number of strokes to get it in the hole.

4

Long Putt

Place a ball 40 feet from the hole and count the number of strokes to get it in the hole.
